Lady Violet
No Way, No Time
Baby I love you more and more
you are alive inside
baby don't say no way no time
we are was a fight

I can't be there, no where you are
tell me why
I wouldn't see your wheel no more
full of love

Now there is no way there is no time
because you're always on my mind
I want you soon before I fly
there is no way there is no time
it flies away I waste my tears, I'm pretty stay a little
Say I got no time I got no way

Darling I hold you more and more
my love goes on to high
whatever you round and turn me on
always I lose control
love me forever, hold me tight
tell me why
I will together I feel alive
I feel ...

Now there is no way there is no time
because you're always on my mind
I want you soon before I fly
there is no way there is no time
it flies away I waste my tears, I'm pretty stay a little
Say I got no time I got no way..

Now there is no way there is no time
because you're always on my mind
I want you soon before I fly
there is no way there is no time
it flies away I waste my tears, I'm pretty stay a little
Say I got no time I got no way
