I never said I was a one time woman
I never wrote it, I never said it
I should have known you'd leave me
out here hanging on
I should have seen it, I didn't get it

Oh, oh, oh, I don't believe it
Oh, oh, oh, you never mean it

It's too late, it's too late, it's too late
To call back yesterday
It's too late, it's too late
I'm just another runaway

It's too late, it's too late, it's too late
to call back yesterday
It's too late, it's too late, I'm just a
Another runaway, another runaway

You always said I was your part time woman
I don't believe it, I didn't see it
You always acting like a part time wanna be
I shoulda seen it, I didn't get it

Oh, oh, oh, I don't believe it
Oh, oh, oh, you never mean it

It's too late, it's too late, it's too late
To call back yesterday
It's too late, it's too late
I'm just another runaway

It's too late, it's too late, it's too late
to call back yesterday
It's too late, it's too late, I'm just a
Another runaway, another runaway
Another runaway, another runaway
Another runaway, another runaway

Oh, oh, oh, I don't believe it
Oh, oh, oh, you never mean it

It's too late, it's too late, it's too late
To call back yesterday
It's too late, it's too late
I'm just another runaway

It's too late, it's too late, it's too late
To call back yesterday
It's too late, it's too late I'm just a
Another runaway, another runaway
Another runaway, another runaway
