I'm in an empty room, I've waited here since noon The walls are closing in, the room is getting dim I'm feeling something wrong, the time is getting on You've left me here alone, you're holding all I own

I can't walk the line, I can't see the time I'm falling out of view, I'm sinking into you I can't walk the line, I can't see the time I'm falling out of view, I'm sinking into you

I'm leaving Monday, it's better than Sunday It's better than Sunday, it's better than I'm feeling younger, it's better than wiser It's better than wiser, it's better than

I'm leaving Monday, it's better than Sunday It's better than Sunday, it's better than I'm feeling younger, it's better than wiser It's better than wiser, it's better than

It's getting dark outside, I shrink and try to hide There's no one else to blame, it's always been the same

I'm leaving notes around, so when I'm gone they're found

You'd wish you treated me, with much more dignity

I can't walk the line, I can't see the time I'm falling out of view, I'm sinking into you I can't walk the line, I can't see the time I'm falling out of view, I'm sinking into you

I'm leaving Monday, it's better than Sunday It's better than Sunday, it's better than I'm feeling younger, it's better than wiser It's better than wiser, it's better than

I'm leaving Monday, it's better than Sunday It's better than Sunday, it's better than I'm feeling younger, it's better than wiser It's better than wiser, it's better than
