I've pulled us another plan
But it's pulling me into the ground
We'll be together again
But only if you'll play along

You're everything I could ever want
Just save your advice for another girl
One night inside my head
And you're gone, you're gone, you're gone
Two years without a word
And you're gone, you're gone, you're really
gone

I'd never thought you'd be
The one afraid of me
I would've set you free eventually
And now you're out of sight
I hope you feel alright
Cause you're gone, you're gone, you're
really gone

I'll never regret a thing
Cause my mind is already too gone
Sleep well, without a care
I'll only catch you in your dreams

You're everything I could ever want
Just save your advice for another girl
One night inside my head
And you're gone, you're gone, you're gone
Two years without a word
And you're gone, you're gone, you're really
gone

I'd never thought you'd be
The one afraid of me
I would've set you free eventually
And now you're out of sight
I hope you feel alright
Cause you're gone, you're gone, you're
really gone

(Youâ€™re gone, youâ€™re gone, youâ€™re gone)
(â€˜Cause youâ€™re gone, youâ€™re gone,
youâ€™re really gone)

Youâ€™re everything I could ever want
Just save your advice for another girl
One night inside my head
And youâ€™re gone, youâ€™re gone, youâ€™re gone
Two years without a word
And youâ€™re gone, youâ€™re gone, youâ€™re really
gone

Iâ€™d never thought youâ€™d be
The one afraid of me
I wouldâ€™ve set you free eventually
And now youâ€™re out of sight
I hope you feel alright
â€˜Cause youâ€™re gone, youâ€™re gone, youâ€™re
really gone

â€˜Cause youâ€™re gone, youâ€™re gone, youâ€™re
gone
â€˜Cause youâ€™re gone, youâ€™re gone, youâ€™re
really gone x2
â€˜Cause youâ€™re gone, youâ€™re gone, youâ€™re
gone
(â€˜Cause youâ€™re gone, youâ€™re gone,
youâ€™re gone)
â€˜Cause youâ€™re gone, youâ€™re gone, youâ€™re
gone
