Go, all wrong

You can breathe (breathe now)  
You can breathe but the air is running out  
We lost all hope (lost all hope)  
In the church of our doom  
And suffer through  
The funeral of our world

We breed germs in vials with the means to kill  
continents  
In chemical warfare  
We design bombs, which can knock the earth from it's  
path  
It's path around the sun

The prince is never going to make his way  
Sleeping beauty is already dead  
Still the worst is yet to come

PRAY TO WHATEVER GOD YOU BELIEVE IN  
WE WILL NEED ALL THE HELP WE CAN GET  
LET ME PLACE MY HAND ON YOUR HEART (YOUR HEART,  
YOUR HEART, YOUR HEART)  
OR AT LEAST POINT OUT WHERE IT SHOULD HAVE BEEN

Every brick you see in this world  
Is there because we put it there  
Now we just seek to destroy  
Everything that we created

You don't inherit the earth from your parents, you just  
borrow it  
Borrow it from your children  
Now ask yourself who pulls the strings of your life  
And cut them one by one

The prince is never going to make his way  
Sleeping beauty is already dead  
Still the worst is yet to come

PRAY TO WHATEVER GOD YOU BELIEVE IN  
WE WILL NEED ALL THE HELP WE CAN GET  
LET ME PLACE MY HAND ON YOUR HEART (YOUR HEART,  
YOUR HEART, YOUR HEART)  
OR AT LEAST POINT OUT WHERE IT SHOULD HAVE BEEN

Grow a new one  
Grow a new one  
Grow a new one  
Grow a new... HEART
