Late night, Waiting by the phone
Tonight waiting for an answer
Heartbeat drumming double time
I need one more chance to be near you

Still hanging on (for what)
Cant operate (fired up)
I wont eat and I won't sleep for you yeah
No rest till I (get through)
'Coz Im holding out (for you)
Am I the only one whos insane

Hey youre playing with my delirium
And the longer I wait the harder Im gonna fall
Stop playing with my delirium
'Coz Im outta my head and outta my self control

Still here in this quiet room
Deep in delusion sending me over
Outside watch the world go by
Inside time stands still as I wonder

Still hanging on (for what)
Cant operate (fired up)

I wont eat and I won't sleep for you yeah
No rest till I (get through)
'Coz Im holding out (for you)
Am I the only one whos insane

Hey Youre playing with my delirium
And the longer I wait the harder Im gonna fall
Stop playing with my delirium
'Coz Im outta my head and outta my self control

(I wont eat and I won't sleep for you yeah)

Hey Youre playing with my delirium
And the longer I wait the harder Im gonna fall
Stop playing with my delirium
'Coz Im outta my head and outta my self control
Hey Youre playing with my delirium

And the longer I wait the harder Im gonna fall
Stop playing with my delirium
'Coz Im outta my head and outta my self control
