I'm writing words for you  
There's nothing else to do  
All my life I feel like I can  
I'm writing songs for you  
I know it's nothing new  
All my lines can't stop you cryin

Oh my, oh my, oh my  
You try I wonder why  
You came, you came beside  
Don't lie, you see another day  
Oh my, oh my, oh my  
You try, I wonder why  
You can't, you can't decide  
Don't lie, you see another day

You turn away from me  
I try to make you see  
All your life you run from trying  
I've waited patiently, but patience has a fee  
All my love has gone unnoticed

Oh my, oh my, oh my  
You try I wonder why  
You came, you came beside  
Don't lie, you see another day  
Oh my, oh my, oh my  
You try, I wonder why  
You can't, you can't decide  
Don't lie, you see another day

Oh my, oh my, oh my  
You try I wonder why  
You came, you came beside  
Don't lie, you see another day

Oh my, oh my, oh my  
You try I wonder why  
You came, you came beside  
Don't lie, you see another day

Oh my, oh my, oh my

You try I wonder why  
You came, you came beside  
Don't lie, you see another day
