"The Message"

At a table set for two
We'll say our thoughts
And see them through
Do I impress her or
Do my remarks suggest the door

I put the "mess" in message
With a courageously awkward pose
Now there is only one thing left to do

Can it be you and me against the world
And say aloud that you're my girl
You're a striking picture of
And my best example of
Sham humility for me
It's you alone, it's all I need
And it's nothing when I know
I'll never be alone against the world

I'm starrng but from far away
Creating far-fetched fantasies
Do I dare ignore
A girl when gone I'm wanting more

I put the "mess" in message
With a courageously pose
Now there is only one thing left to do
