Hey, baby
Hey, beautiful girl
Hey, baby, hey
Sing hey baby, hey
Hey, baby, hey, hey
Hey, beautiful girl

Come along, come along
To kiss me before I'm going
Come along, come along
To kiss me before I'm going

Don't you kiss me nice, nice
Before I'm going
Don't you kiss me nice, nice
Before I'm going
Come along, come along
Come along, you, you, you

Don't you meditate
I sent a messenger to tell you that
I want to meet you at the station

Come along, come along
To kiss me before I'm going
Come along, come along
To kiss me before I'm going

Don't you kiss me nice, nice
Come along, come along, come along
You, you, you

Hello, my baby
Hello, my baby
Hello, my sweet
Hello, my baby
Hello, my sweetheart

Don't you meditate
Don't you meditate
I send a messenger
To tell you that I want to meet you

In a station
