Films will come and films will go
That kiss on your neck won't show

Posing in the same place every time
When you're still speaking in the sunshine

Watching TV at 4 am
But that's not when she needs a friend
Staring at the bathroom floor
Please don't say you've got to go

Posing at the same place to put things right
In your eyes, we're meeting in the morning light

You've done it again, you've done it before
That kiss on your neck won't show

Watching TV at 4 am
But that's not when she needs a friend
Staring at the bathroom floor
Please don't say you've got to go

Watching TV at 4 am
But that's not when she needs a friend
Loose change from your pocket on the floor
Please don't say you've got to go

Cheap thrills that this time I clasp
Cheap thrills that you'll dream about

You've done it again, you've done it before
That kiss on your neck won't show

Watching TV at 4 am
But that's not when she needs a friend
Staring at the bathroom floor
Please don't say you've got to go

Watching TV at 4 am
But that's not when she needs a friend
Loose change from your pocket on the floor
Please don't say you've got to go
