Slushai me  
Uniniyata zabravi  
Chui, za sinite skali si pripomni  
Nov pat vseki den napred nameri  
Kak obichashe da se katerish  
Kotkata v orel dnes prevarni  
(Utro moe...)  
Izvan kartata da izleti  
(Utro moe...)  
S badeshteto si ako igraesh,  
(Utro moe...)  
Da e ot men

Realno I valshebno

[english translation:]

Listen to me  
Forget despondencies  
Listen, remember the blue cliffs  
Find a new road forward every day  
How you loved to climb  
Turn the cat into an eagle today  
(morning of mine)  
To fly off the map  
(morning of mine)  
If you're going to play with your future,  
(morning of mine)  
Let it be from me

Listen to me  
Forget despondencies  
Listen, remember the blue cliffs  
Find a new road forward every day

How you loved to climb  
Turn the cat into an eagle today  
To fly off the map  
If you're going to play with your future,  
Real and magical
