Someone's coming ro und in the evening  
One touch on the face of a city  
Boy, black plastic chair with some time to spare

Black plastic, touching black plastic

Someone's coming round in the evening  
One touch on the face of a city  
Boy, black plastic chair with some time to spare

Black plastic, touching black plastic

Someone's coming round in the evening  
One touch on the face of a city  
Boy, black plastic chair with some time to

Drawing on face of a girl who is sleeping  
Black plastic chair reaching out making one touch
