High  
21st of July  
You know the thought is all wrong  
But the feeling is right

Say  
On the 19th of May  
Turn it on close the door  
And then set to ignore

Hey, where did you come from?  
And why don't you stay where you belong?

Think  
Everyone that you kiss  
Do they cease2xist  
When you stop being missed?

You live  
In someone else's song  
Have you been there too long  
Or not long enough?

Yes  
What did you leave behind?  
Another weekend expires  
With no definite signs

Hey, where did you come from?  
And why don't you stay where you belong?

Hey, where did you come from?  
And why don't you stay where you belong?

Think  
Everyone that you kiss  
Do they cease2xist  
When you stop being missed?

Hey, where did you come from?  
And why don't you stay where you belong?

Hey, where did you come from?  
And why don't you stay where you belong?

Think  
Everyone that you kiss  
Do they cease2xist  
When you stop being missed?

Think  
Everyone that you kiss  
Do they cease2xist  
When you stop being missed?
