Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, why are you dancing when you could be
alone?
Hey, playgirl
Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, choking on cigarettes won't get you along
Hey, playgirl

Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown

Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, why are you dancing when you could be
alone?
Hey, playgirl
Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, choking on cigarettes won't get you along
Hey, playgirl

Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown

Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
Hey playgirl, hey playgirl
Hey playgirl, hey playgirl

Foreign coin on a telephone box
A question mark on a calendar
An empty seat on the alpha line
A sorting code, an account number

Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
