Surrender with me
We're walking in our sleep,
I won't come around for you
Leave the story at the shore,
In case you thought it done
I guess it is we're so boring

Now surrender with me
Cause we're walking in our sleep,
And won't come 'round

Hey, put our pistols down,
Crawl along the ground.
Where we won't,
Won't be found.

Surrender with me
And bring your violin,
Photographs and some black strings
For when we're breaking stones,
The only things we know
Are tiger's eyes and lost things

Now, surrender with me
Cause we're walking in our sleep,
And won't come 'round

Hey, put our pencils down,
And go back underground
Where we won't,
Won't be found

Now, surrender with me
Cause we're walking in our sleep,
And won't come 'round

Hey, put our pistols down,
And crawl along the ground
Where we won't,
Where we won't,
Won't be found
