Surrender with me  
We're walking in our sleep,  
And won't come around for you

Leave the story at the shore,  
In case you thought it done  
Yesterday will...

Now surrender with me  
'Cause we're walking in our sleep,  
And won't come 'round

Hey, put our pistols down,  
Crawl along the ground.  
Where we won't,

Won't be found.

Surrender with me  
And bring your violin,  
Photographs and some black strings  
For when you're breaking stones,  
The only things we know  
Are tiger's eyes and lost things (?)

Now, surrender with me  
Cause we're walking in our sleep,  
And won't come 'round

Hey, put our pencils down,  
And go back underground  
Where we won't,

Won't be found

Now, surrender with me  
Cause we're walking in our sleep,  
And won't come round

Hey, put our pistols down,  
And crawl along the ground  
Where we won't,

Where we won't,

Won't be found
