"Tell Me Why"

I'm lying wide awake
My head spinning over you
Dark of night, no stars inside
You are dreaming next to me
Afraid to close my eyes,
'cause I don't wanna miss a moment of you
Don't want to dream, no
No dream could be as beautiful as you are
Tell me what have I done to deserve something this
beautiful

Tell me why
Am I the one your all belongs to- why me?
Tell me why
Am I the one you wanna place in your heart-why me?
Tell me why do you love me
Why is me you want?

Before you came the days just passed
But now I so cannot reach seconds
Within me thousand suns rise
And I'm praying for them to never do disappear
Tell me what have I done to deserve something this
beautiful

Tell me why
Am I the one your all belongs to- why me?
Tell me why
Am I the one you wanna place in your heart-why me?
Tell me why do you love me
Why is me you want?
Tell me why I deserve you
And why do you say: "I love you girl"

Tell me why
Am I the one your all belongs to- why me?
Tell me why
Am I the one you wanna place in your heart-why me?
Tell me why
Am I the one your all belongs to- why me?

Tell me why
Am I the one you wanna place in your heart-why me?

Tell me why I deserve you
Tell me why I deserve you
Tell me why I deserve you
Why is me you love?
