Dont call it a movement, theres other ways of saying it
Call it brown cable and Im laying it down
Big and brown, leaving it where it counts, fat amounts
Blazin, a butt raisin dingleberry, yes my butt is hairy
Every nation a-backing em out, come on everybody let
me
hear you shout

Im gonna back one out
Momma said back one out
Im gonna back one out
Momma said back one out

Splotchin, theres no stopping, its coming down and the
smell is rotten
Pain, I musta ate Draino, Mount St. Helens, ass volcano
Burnin like hot lava, I got the runs cos I drank too
much Java
Ouch, that sensation is not the runs I got constipation

Im gonna back one out
Momma said back one out
Im gonna back one out
My momma said back one out
