I'm sorry that you're mine  
But I know someday you will go away from me  
And I, I know I'll be alone

'Cause I'm a bitter old man  
And someday you will know  
The reality with us  
Is I will hurt you so  
I'll end up a martyr  
A broken hearted fool  
Like I always do

I'm sorry to let you know  
But my love for you cannot grow  
Of this I'm sure  
You're better off leaving me here  
Before you get hurt

'Cause I'm a bitter man  
And someday you will know  
The reality with us  
Is I will hurt you so  
I'll end up a martyr  
A broken hearted fool  
Like I always do

I'm a withered old man  
I am sad and poor  
There's no food in my fridge  
But there's clothes across my floor  
Dishes stew in my sink  
Flies cloud my air  
My toilet's full and clogged  
Sometimes I don't wipe  
Why should I  
I like it, the way it feels  
I'm foul, disgusting, perverted  
I like little girls  
Go away  
You're better off  
I'll kill you if you stay

I've ruined so many  
I'm lame  
I'm a dick

'Cause I'm a bitter old man  
And someday you will know  
The reality with us  
Is I will hurt you so  
I'll end up a martyr  
A broken hearted fool  
Like I always do  
I always do
