Realizing it's too late
Destiny turns to fate
Realizing it's too late now
Realizing it's too late
Destiny turns to fate
Realizing it's too late now...

For you to save yourself

Now you say it's over
And the monkeys off your back
All it took was valium
And a couple of six packs
So once again you've lied
And your story remains the same
Cause misery loves company
And you're the one to blame

Your life
Your life
Your life and it's always the same
Your lie
Your lie
Your lie is always the same
Your life
Your life
Your life and it's always the same
Your lie
Your lie
Your lie and it's always the same

Your life it's a lie
Your life it's a lie
Your life it's a lie
Your life it's a lie

It's a lie
It's a lie
It's a lie
Your life is always the same to me
