He doesn't know what he's gonna say,
Put in the unit to deplete Ozone Layers,
Unemployment is my scene,
Brain dead - the fumes I breath,
Put in the unit to deplete Ozone Layers,
Carp fucking sucks,
Too dumb to care,
The S.B-Goleta connection,
Feelin' like a champion,
All aboard the lagwagon,
It's fast enough for me,
Slow,
Me,
And,
My,
Friends,
On the Couch,
Give me a sofa, and some snacks
The idiot box-that T.V trash
The V.C.R, some stupid films,
The remote control,
Fuck the bills,
There's no point in a job,
The pay just sucks if you're a slob,
I'm not lying,

I'm lazy,
And all my friends are just like me,

Garga jibs and metal riffs
Beer bong and bong hits
I fucking hate that scene
Santa Barbara boredom
Goleta-postmortem
Small town minds,
Can you relate to me?
All aboard the lag wagon (repeat 9 times)
Laggin'!
Can you please slow down, please?
Stop!
Can you please slow this thing down, please?
Stop!

Can you please slow this down?
Stop!
