S.O.S. in a state of emergency.  
The situation and the prying eyes looking at me.  
Is there nowhere I can go?  
Somewhere you couldn't see.  
S.O.S. in a state of emergency.

So let's say for a second,  
I've grown attached.  
My life's a mess.  
I'm a total waste.

And the pills that they gave me,  
just gave me the shits.  
I don't really work.  
I'm supposed to fit in.

Let's say just for a second,  
I'm only kidding.  
I'm well adjusted.  
Let's say nothing at all.

In a state of emergency,  
I'm calling out to anyone.  
An S.O.S. in a state of emergency.

Let's say just for a second,  
I'm only kidding.  
I'm well adjusted.  
Let's say nothing at all.

In a state of emergency,  
I'm calling out to anyone.  
An S.O.S. in a state of emergency.

(He's addicted, he's a mess.)  
(Calling out, it's an S.O.S.)

I'm addicted, I'm a mess.  
Calling out, it's an S.O.S.
