So the Land of the Free
and the Home of the Brave
Are your stars still so bright
Does your banner still waves
Oh, the Land of the Free
and the Home of the Brave
Are you heaven on Earth
or the gloom of the grave

You
The people of the United States
Did you form a perfect union
Establish justice
Ensure tranquility
Secure the blessings of Liberty
to yourselves and your posterity
How blind can you get
for your country
right or wrong

America
The melting pot

So the Land of the Free
and the Home of the Brave
Are your stars still so bright
Does your banner still waves
Oh, the Land of the Free
and the Home of the Brave
Are you heaven on Earth
or the gloom of the grave

We, children
We, children, are born in Sin
We are born in Sin.
That is why we must let
The Light, The light of God
into our hearts, Children
We are all Children of God,

but to the whole we are Sinners
We are Sinners

We must let the Light, let the Love of God
the Eternal Love of God into our hearts
or we will Burn
Burn in Hell
Burn in Eternal Hell

Praise the Lord
and Praise the Holy Spirit
to save us from your
Freedom, Justice, Peace
Accordance and Illusion
from Arrogance and Pride
from Violence and Confusion
the Great Despair
and Great Depression
Satanic verses
of your superstition
the Land of Plenty...

Your Bill of Rights
the Enterprise
the Free Will
and the Unbroken One
your Self-Esteem
and Self-Desire
your Trust in God
and in Religious Fire

America

The end of Hystory
The end of Time
The end of Family
The end of Crime
