Povdarja: "Oblast He emphasizes: "The Authority

je morda nesimpatična might be unsympathetic,

a edina nesmrtna pot but the only immortal way

SVOBODA

v letih najtežjih socialnih in družbenih pretresov

v času gospodarske krize

je bila teznja

da se ohrani enotnost in povezanost delavstva

poglavitna naloga komunistov in zavednih delavcev

z vkljucitvijo

brezposelne delavske mladine

je vse bolj rasel politicni

in bojevni razmah.

oblikovalo se je javno mnenje...

zaradi politicnega delovanja

je oblast

v letu 1982

razpustila

Svobodo.

FREEDOM

in the worst years of social and moral collapse

at a time of economic crisis

there was a tendency

to preserve working class union and unity

the principal task of communists and aware workers

incorporating

unemployed working class youth

was to step up political

and militant reaction

public opinion has been formed...

due to political activity

the authority has

in the year 1982

cancelled

Freedom.
