Einigkeit und Recht und Freiheit
Für das deutsche Vaterland!
Danach laßt uns alle streben
Brüderlich mit Herz und Hand!

And in times of misfortune
And in times of mistrust
(Von der Maas bis an die Memel)
Shall this song continue
(Von der Etsch bis an den Belt)
From generation to generation, from present to past
(Deutschland, Deutschland über alles,
Deutschland)
Shall this song continue
(Über alles in der Welt)

More than ever
In these times of mistrust

After the unspeakable
After you have fallen as only angels can fall
Go and find your peace again

Get back home and grow your tree
No victory
No defeat
No shame
And fatherland
No more
Only unity
Justice
And freedom for all
There will be no memory
Or there will be no hope
It is the lesson you have to learn
Now
And in the future

Do you think you can make it
Deutschland?
