God is God
God is God
God is God

You shall see Hell clear in the sky
You shall see darkness
You shall see good and evil
You shall see city walls crumble and towers fall

God is God
God is God
God is God
God

You shall see Lord of Life and Death
You shall see Heaven in Hell
You shall be blinded by light
You shall see darkness

God is God
God is God
God is God
God

You shall see the walls crumble
Walls built of pain
And above the cries of man
Hear one voice saying

"I am Alfa and Omega
The beginning and the end
I am the first and
I am the last"

God is God
God is God
God is God

You shall see Hell
You shall see evil
You shall see darkness
You shall see sorrow

You shall see death
You shall see

God is God
God is God
Is God
