Two of us riding nowhere  
Spending someone's hard earned day  
You and me, Sunday driving  
Not arriving on our way

We're on our way home  
We're on our way home  
We're going home

Two of us sending postcards  
Writing letters on my wall  
You and me burning matches  
Litting latches on our way

We're on our way home  
We're on our way home  
We're going home

You and I have memories  
Longer than the road  
That stretches out ahead

Two of us wearing raincoats  
Standing solo in the sun  
You and me chasing paper  
Getting nowhere on our way

We're on our way home  
We're on our way home  
We're going home

You and I have memories  
Longer than the road  
That stretches out ahead

Two of us wearing raincoats  
Standing solo in the sun  
You and me chasing paper  
Getting nowhere on our way

We're on our way home  
We're on our way home

We're going home

Two of us wearing raincoats  
Standing solo in the sun

We're on our way home  
We're on our way home  
We're on our way home  
We're on our way home  
We're going home
