As long as deep in the hearts  
The jewish souls steel the earth

And forward to the east to Zion  
from the highest looks

Our hope would be not to lost  
The hope of 2000 tears

To be a free nation  
In our own homeland

The land of Zion  
Land Jerusalem

My country, my country,  
My land, my ancestors

My country, my country,  
My nation, in the land of struggle  
With determination fire  
And my vulcanic revenge.  
I have climbed the mountains  
Crossed from the earth  
And foughed the wars.

I've conquered the impossible  
With longing in my blood  
And the roar of guns

For my country, my land,  
My home, my ancestors

To be a free nation  
In our own homeland

The land of Zion  
Land Jerusalem
