They Have Been Aware - Scalded He Left I)
zavedali so se they have been aware
odsel je _he left_
da je treba that it is necessary
poparjen je odsel _scalded he left_
njegove izjave pripisati his statements acribe
odsel je _he left_
nevednosti to ignorance
poparjen je odsel _scalded he left_
zlobni propagandi malicious propaganda
odsel je _he left_
zavedali so se they have been aware
poparjen je odsel _scalded he left_
absurdnosti njegovega zadržanja the absurdity of his
restraint
odsel je _he left_
zavedali so se they have been aware
poparjen je odsel _scalded he left_
da je treba that it is necessary
odsel je _he left_
napraviti konec to bring to an end
poparjen je odsel _scalded he left_
takemu stanju stvari the present state of things
odsel je _he left_
za svoje necedne cilje for their dirty aims
poparjen je odsel _scalded he left_
kot orožje reakcije as the weapon of reaction
odsel je _he left_
proti duhu napredka nasega ljudstva against the spirit
of progress of our nation
poparjen je odsel _scalded he left_
zavedali so se they have been aware
odsel je _he left_
ostati zvesti nasi preteklosti to stay faithful to our past
poparjen je odsel _scalded he left
