A cinq heures cinquante-cinq
Awake with open eyes
A drift upon the night
And miles away from land

5:55

5:55

A cinq heures cinquante-cinq
Ante meridiem
Too late to end it now
Too early to start again

5:55

5:55

Soon the morning, it will arrive
Can I begin another day?
Whilst this old day is still alive
Refusing to be put away

5:55

No sleep tonight

5:55

Like a beast awaits its faith
Laid here with time to kill
The very dead of night
Where time and space stand still

5:55

5:55

5:55

No sleep tonight

5:55

A cinq heures cinquante-cinq
Nothing will ever change
On the altar of my thought
I sacrifice myself again and again and again

5:55

5:55

And again

And again

And again
