"Good Looking Blues"

Visit "[Good Looking Blues](#)" on MotoLyrics.com

Damn girl's gone crazy
All these good-looking blues
Banshees with bad skin
Coming home to roost
Boxed into flying
Scratching out birds
Fed a diet of sharp knives
Earthworms and dirt
Damn girl's gone crazy
All these good-looking blues
Banshees with bad skin
Coming home to roost
Fishing with bare hands
Coming up dry
Branches without roots
Cover my sky

Damn girl's gone crazy
All these good-looking blues
Banshees with bad skin
Coming home to roost
Boxed into flying
Scratching out birds
Fed a diet of sharp knives
Earthworms and dirt
Fishing with bare hands
Coming up dry
Branches without roots
Cover my sky
