Let me sleep I'm through now
I'll just close my eyes
I know I didn't do it
It's too late to explain

I'm tired, he's screaming
He knows where I've been
I was gonna say something
Maybe

He says I taste like rubber
I can't change his mind
He thinks he is right
He thinks I'm lying

I've heard stories like this
But not about me
I'm tired, he's screaming
He knows where I've been

Let me sleep I'm through now
I'll just close my eyes
I know I didn't do it
It's too late to explain

I'm tired, he's screaming
He knows where I've been
I was gonna say something
Maybe
