( Uneasy EP )

I don't wanna feel this way  
You come and I look away  
Forcing what I have to say  
It's alright, baby  
It's OK  
We'll be together for a million days

Finding that I've nothing left  
Same old words same old tired bets  
Look around at the face I've kept  
It's alright, baby  
It's OK  
We'll be together for a million days

If love is a crop of rocks  
Exposed by the tide  
Wrap me up in it  
'Till the day I die  
When did I become  
Split in two  
One half's a liar and  
The other half's a fool

I can't face another day  
One more phone ring one more drunk display

Scrub your back to wash the dirt away  
It's alright, baby  
It's OK  
We'll be together for a million days

I don't wanna feel this way  
You come and I look away  
Forcing what I have to say  
It's alright, baby  
It's OK  
We'll be together for a million days

If love is a crop of rocks  
Exposed by the tide

Wrap me up in it  
'Till the day I die  
When did I become  
Split in two  
One half's a liar and  
The other half's a fool for you
