Sugar daddy take me away  
From this bad, bad place  
I'm sick and tired of trying  
And I wanna fly away

I guess we got our wires crossed  
He's thinking driftwood I think twigs  
Nothing, nothing is gonna save us now  
And I wanna fly away

Sugar daddy take me away  
From this bad, bad place  
I'm sick and tired of trying  
And I wanna fly away

I guess we got our wires crossed  
He's thinking driftwood I think twigs  
Nothing, nothing is gonna save us now  
And I wanna fly away
