Life is changing  
I can't go on without you  
Rearranging, I will be strong  
I'll stand by you

You were fighting everyday  
So hard to hide the pain  
I know you never said goodbye  
I had so much left to say

One last song  
Given to an angel's son  
As soon as you were gone  
As soon as you were gone

I have a new life now  
She lives through you  
What can I do? Feel so alone now  
I pray for you, we still love you

I can't believe you're gone  
I can't believe
