I just cannot say  
Someone's calling me  
From so far away

Sometimes I hear  
The bells of another land

When I came I was dreaming  
Dreams of a everlasting sun  
Raised my hands for peace  
Words of love on my tongue

Sometimes I hear...  
The more that I was falling  
The more I felt the light  
Warmed my empty body  
In an endless night

Sometimes I hear...  
So I went into my garden  
Watched the flowers grow  
Laid myself on the warm grass  
And death came very slow

Sometimes I hear...
