stay[stay]...  
stay[staystay]...  
remain[remainremain]...  
stay[staystay]...  
don't[don't] go[go]...  
stay[stay]...  
don't[don't] go[go]...  
stay...

I don't go out  
out in the cold  
I don't go out  
out in the dark  
to tired to move  
to tired to die  
living in a nightmare  
day by day

I don't go out  
out in the cold  
I don't go out  
out in the dark  
waiting for dreams  
on a winter day  
living in a nightmare  
day by day

streams of colours  
colours in the grey  
colour-ize the winter  
colour-ize my brain  
colours for an image  
in an empty lane  
living in a nightmare  
day by day

pictures start to dance  
flicker in my eyes  
pictures start to dance  
flicker in my eyes  
walk along the floor  
dance on my head

living in a nightmare  
day my day

waiting for dreams  
on a winter day  
living in a nightmare  
day by day  
waiting for something  
something to come  
waiting for nothing  
nothing to come  
stay  
remain  
in an empty room  
living in a nightmare  
day by day
