Poison in my blood
Running through my veins
Panic disorder growing
Just a perfect day

Fever in my mind
My vision's getting dim
Purple toe is spreading
On my pale skin

A cold place
Such a cold place

Time is standing still
But life is fading fast
Am I still here dreaming?
Or am I dead at last?

A cold place
Such a cold place

Can't wake!
I'm hanged for my mistakes
Cold, fucked!
My life will always be black
Death race!
A bitter place
Cold, black!
Fucked!

A cold place
Such a cold place

Can't wake!
I'm hanged for my mistakes
Cold, fucked!
My life will always be black
Death race!
A bitter place
Cold, black!
Fucked!
