Jeremy bender was a man of leisure, took his pleasure  
in the evening sun  
Laid him down in a bed of roses, finally decided to  
become a nun.

Talk with the sister, spoke in a whisper, threatened to  
fist her if she  
Didnt come clean  
Jumped on the mother just like a brother asked one  
another if the other is  
A queen.

Diggin the sister she was a mister shouldnt have kissed  
her, but he  
Couldnt say no  
Wanted to leave her couldnt believe her, so he picked  
up his suit-case and  
Decided to go.
