Cold and misty morning, I heard a warning borne in the
air
About an age of power where no one had an hour to
spare,
Where the seeds have withered, silent children
shivered, in the cold
Now their faces captured in the lenses of the jackals
for gold.
Ill be there
Ill be there
I will be there.

Suffering in silence, theyve all been betrayed.
They hurt them and they beat them, in a terrible way,
Praying for survival at the end of the day.
There is no compassion for those who stay.
Ill be there
Ill be there
I will be there.

There must be someone who can set them free:
To take their sorrow from this odyssey
To help the helpless and the refugee
To protect whats left of humanity.
Cant you see
Cant you see
Cant you see.

Ill be there
Ill be there
I will be there;
To heal their sorrow
To beg and borrow
Fight tommorow.

Step inside! hello! weve the most amazing show
Youll enjoy it all we know
Step inside! step inside!

Weve got thrills and shocks, supersonic fighting cocks.
Leave your hammers at the box

Come inside! come inside!
Roll up! roll up! roll up!
See the show!

Left behind the bars, rows of bishops heads in jars
And a bomb inside a car
Spectacular! spectacular!

If you follow me theres a speciality
Some tears for you to see
Misery, misery,
Roll up! roll up! roll up!
See the show!

Next upon the bill in our house of vaudeville
Weve a stripper in a till
What a thrill! what a thrill!
And not content with that, with our hands behind our
backs,
We pull jesus from a hat,
Get into that! get into that!
Roll up! roll up! roll up!
See the show!

Welcome back my friends to the show that never ends
Were so glad you could attend
Come inside! come inside!
There behind a glass is a real blade of grass
Be careful as you pass.
Move along! move along!

Come inside, the shows about to start
Guaranteed to blow your head apart
Rest assured youll get your moneys worth
The greatest show in heaven, hell or earth.
Youve got to see the show, its a dynamo.
Youve got to see the show, its rock and roll

Soon the gypsy queen in a glaze of vaseline
Will perform on guillotine
What a scene! what a scene!
Next upon the stand will you please extend a hand
To alexanders ragtime band
Roll up! roll up! roll up!
See the show!

Performing on a stool weve a sight to make you drool
Seven virgins and a mule
Keep it cool. keep it cool.
We would like it to be known the exhibits that were
shown

Were exclusively our own,
All our own. all our own.
Come and see the show! come and see the show!
come and see the show!
See the show!
