Waterfall, waterfall  
Running down the hill  
Waterfall, waterfall  
Running down the hill  
Running running from my soul  
Following my will  
Running running from my soul  
Following my will

Mindmachine, mindmachine ...

Riverside, riverside  
Under an orange sky  
Riverside, riverside  
Under an orange sky  
Fading to black and white  
Passing passing by

Mindmachine, mindmachine ...

Ocean wide, ocean wide  
Calming down at last  
Ocean wide, ocean wide  
Calming down at last  
Listening to the changing tides  
Drawn to the past  
Listening to the changing tides  
Drawn to the past

Mindmachine, mindmachine ...
