Well I'm feeling like I'm falling
I'm still on my feet
Reality is calling
That don't bother me
'cos I'm on my way
I'm ok

I'm ready to get ready
Willing to get by
I'm able to imagine
What it's like to fly
Into the blue
Fall down too

Hey, hey, c'mon bring on the day
'coz I just might get everything I need
Hey, hey, I'm givin' what it takes
I'm ready as I'm ever gonna be
So bring on the day

Like a diver in the water
Everything feels slow
But my caramel macchiato really gets me in the flow
And I'm on my way
Whatever it takes

Hey, hey, c'mon bring on the day
'coz I just might get everything I need
Hey, hey, I'm givin' what it takes
I'm ready as I'm ever gonna be
So bring on the day

What you get is what you see
Open up your eyes
They'll set you free
It all works out eventually
You gotta keep on keepin' on
I can rock and I can roll
I know I wanna move, gotta take control
Watch out world, 'cos here I come
And I can't stop 'til I'm done

Hey, hey, I'm finally on my way

Hey, hey, c'mon bring on the day
'coz I just might get everything I need
Hey, hey, I'm givin' what it takes
I'm ready as I'm ever gonna be
So bring on the day

Bring on the day

Gotta keep on keepin' on
Gotta keep on keepin' on
