Pills

Pills that make you think that you are happy
Pills that make you think that you are sad
Pills that make you love most anybody
Pills that make you altogether mad

Pills that make you feel a little sleepy
Pills that make you stay up way too late
Pills that make your skin feel kinda creepy
Pills that make your brain hallucinate

Ba ba ba ba ba ba
Ba ba ba ba ba ba da da
Ba ba ba ba ba ba
Ba ba ba ba ba ba da da

Pills that make the boys a little frisky
Pills that help the girls fight PMS
Pills that make your conversation risky
Pills that help you straighten out the mess

Ba ba ba ba ba ba
Ba ba ba ba ba ba da da
Ba ba ba ba ba ba
Ba ba ba ba ba ba da da

Pills to calm your nerves when on an airplane
Pills to make your acne start to fade
Pills to make you rid yourself of water
Pills that cause your body to retain

Pills that make you think that you're a rockstar
Pills that make you feel a bit insane
Pills that make you think you're in a movie
Pills that make you stand in front of trains

Ba ba ba ba ba ba
Ba ba ba ba ba ba da da
Ba ba ba ba ba ba
Ba ba ba ba ba ba da da

Ba ba ba ba ba ba
Ba ba ba ba ba ba da da
Ba ba ba ba ba ba
Ba ba ba ba ba ba da da
