Man in the street nowhere to sleep
No time for nothing no patek phillipe
Pedal to the metal blow by blow
Youre runnin with the devil its touch and go
Theyre leaving you nothing and nowhere to go
Just put you in the corner like an old banjo
The strings are breakin but you cant say no
Youre runnin with the devil its touch and go
Systematic one man show
Youre caught up in the middle where the four winds
blow
No salvation 20 below
Youre runnin with the devil its touch and go
All systems go friend or foe
Its all dependin on the dice you throw
Come without a warning like a u.f.o.
Youre runnin with the devil its touch and go
You see this woman on a t.v. show
Shes drippin in diamonds from head to toe
They make you believe its the status quo
Youre runnin with the devil its touch and go
All systems go friend or foe
Its all dependin on the dice you throw
Come without a warning like a u.f.o.
Youre runnin with the devil its touch and go
