I wasn't expecting this
Falling in love this way
From out of the blue you stole my heart
With your arrow so straight and true
You took aim and you shot it through
Now every day I'm prayin' we'll never part

Bullseye, you hit me
Right between the eyes with your sweet love
Bullseye, you hit me
What a shot, I'll never get enough
Bullseye, you hit me

Wondrous things you do
Never met no one quite like you
You must Cupid in disguise
I never stood a chance
All it took was a simple glance
I was a goner when I looked into your eyes
I wasn't ready, you hit me

Bullseye, you hit me
Right between the eyes with your sweet love
Bullseye, you hit me
What a shot, I'll never get enough
Real love, a good love
Your sweet love

I was minding my own business
Just going about my day, huh
Never thinking in a million years, girl
True love would come my way

Then you came and took such a good shot
Girl, you really hit your mark
And once you took me in your arms
You stole my heart

Bullseye, you hit me
Right between the eyes with your sweet love
Bullseye, you hit me

What a shot, I'll never get enough
Real love, a good love
Baby

Bullseye, you hit me, baby
Right between the eyes with your sweet love
Bullseye, you hit me
And what a shot, I'll never get enough
Real love, a good love
No, no
