Hey, come on, come along take a ride  
There's a party over there, that ain't no jive  
It's live, live, it's all the way live  
Don't even have to walk, don't even have to drive  
Just slide, glide, slippity-slide  
Just forget about your troubles and your 9 to 5  
And just sail on (That's what you do), just sail on  
Now this groove's so funky, hey, what to you think  
What is it called, let's call it Lakeside stank

Come along and ride on a fantastic voyage

I'm the captain of this vessel  
We wanna take you on a cruise  
All around the land, music is at hand (Huh)  
We wanna play it for you

(You see) We want to be (We want to be)  
Your crew of entertainers (Jam to the music)  
Jam to the beat (Jam, yeah)  
Don't let nothing restrain you (Uh-huh)

We just want you to feel  
Nothing but pleasure (Pleasure), musical pleasure  
(Yeah, yeah)  
Our music is very real (It's really real)  
Truly a treasure (A treasure), musical treasure

Come along, pack your bags  
Get on up and jam y'all  
Come on and ride on the funk, y'all

Come along and ride on a fantastic voyage

We're the directors of this groove ship  
And you are under our command, yeah  
What you should do is take a listen, too  
So you can understand

(You know) We like to see (People havin' a good time)  
Everybody happy (Do you wanna party)  
We create the beat (That foot stompin' music)

That keeps the people dancin' (Uh-huh)

We just want you to feel (We just want you to feel)  
Nothing but pleasure, musical pleasure (Want you to feel)

Â'Cause music is a world of fantasy (It's a fantasy)  
Let's live it together (A pleasure), musical pleasure  
(Come along, come along, come along)  
So come along beyond the sea  
(Dance in the sunshine) Take a load off of your mind  
Our music is very real (So very real)  
Truly a treasure, musical treasure

Come along, pack your bags  
Get on up and jam y'all  
Come on and ride on the funk, y'all

Come along and ride on a fantastic voyage  
(Come along, ride the boat, hey bring it on me)  
To the Land of Funk

Come along and ride on a fantastic voyage  
(Do you wanna ride with me)  
Come along and ride on a fantastic voyage  
(Do you wanna go, ah)  
To the Land of Funk, Funk, Funk  
To the Land of Funk, to the Land of Funk, to the Land of Funk

Hey, come on, come along take a ride
