It's all the way live  
It's all the way live  
It's all the way live  
It's all the way live

If you wanna party  
Come on in and party hearty  
When the people get together  
And don't care about the weather  
We're proud to say, "Welcome to the party"  
(Yeah)

It's all the way live  
(Sho 'nuff)  
It's all the way live  
(Whoa, whoa, tell the people)  
(Tell 'em)

It's all the way live  
(Ooh)  
It's all the way live  
(All you got to do is boogie)

Dance, clap your hands  
All you wanna do is boogie  
Bad woman  
Havin' fun

So, so fine, those ladies  
Doin' moves that drives us fellas crazy  
When the music's quite together  
And you know there is none better  
To even get a seat, we have to be here early, come on

It's all the way live  
It's all the way live  
(Whoa, whoa, tell the people)  
(Tell 'em)

It's all the way live  
(Ooh)  
It's all the way live

(All you got to do is boogie)

Huh, it's live, it's all the way live  
Huh, it's live, it's all the way live  
(It's all the way)

Huh, it's live, it's all the way live  
(It's all the way)  
(All the way live)  
Huh, it's all the way live, it's all the way live  
(It's all the way)  
(All the way live)

Huh, it's live, it's all the way live  
(It's all the way)  
(All the way live)  
Huh  
Again

Dance, clap your hands  
All you wanna do is boogie

When the music's in the groove  
And it makes you wanna move  
Everybody get on up  
When the sound begins to groove  
And your feet begin to move  
With Lakeside you're groovin' at the party  
(Party)

It's all the way live  
It's all the way live  
(Yeah, tell the people)

It's all the way live  
It's all the way live  
(All the way)

It's all the way live  
It's all the way live  
(When the people get together)  
(And don't care about the weather)

It's all the way live  
It's all the way live  
(When the sounds begin to groove)  
(And your feet begin to move)

It's all the way live  
(Tell 'em)  
It's all the way live

(Ha, ha, ha, ha, ha, ha, ha)

It's all the way live

It's all the way live
