May my life be a reflection
Of your power and your glory,
Breathing in the breath of heaven,
Leading in to hear your heartbeat.
And my heart my thoughts my mind Lord,
they are yours now and forever.
Come and do me in your will and I'll be yours today
forever.

chorus:
Consuming fire, burn deep within
Overtake my heart and burn in me once again. (2x)

And I give you all my days Lord.
All my joys and all my sorrows,
and the plans that I have dreamed of,
Hold them back for yours to follow.
May my mouth be full of blessings,
Lord I want to speak with your words.
May your spirit light my pathway.
Take my life today forever.

chorus:
Consuming fire, burn deep within
Overtake my heart and burn in me once again. (2x)

'Cause all I want to do is please you.
Be the ruler of my world and
Take away the things that blind me.
All I want is to live for you.

chorus (spanish): Fuego de Dios, quemame hoy
purificame
y yename otra vez. (2x)

(purificame, ven y llename otra vez)

Consuming fire, burn deep within
Overtake my heart and burn in me once again
(repeatedly)
