Sweeter
Everyday with you Lord
Is sweeter than the day before
Everyday with You Lord
Is sweeter than the day before

Every morning I will worship
Every evening I'll adore
Cause everyday with You
Is sweeter than the day before

What a priviledge to know you
Like I know You
To be loved
Like You love me
What an honour to worship
Truly worship
From this heart that You have freed

From the rising of the sun
To the setting of the same

Everyday with You Lord
Is sweeter than the day before
Everyday with You Lord
Is sweeter than the day before

Every morning I will worship

Every evening I'll adore
Everyday with You is sweeter
Sweeter than the day before

What wonder to live like
Really live like
Overcoming anything
What a reason to lift up
Freely lift up
Everyday my everything

From the rising of the sun
To the setting of the same

Everyday with You Lord
Is sweeter than the day before
Everyday with You Lord
Is sweeter than the day before

Every morning I will worship
Every evening I'll adore
Everyday with You Lord
Is sweeter than the day before

Everyday, everyday with You Lord
Everyday sweeter than the day before
