Lord, we've come to worship you,
We've come to lay down our lives at your feet.
We've come to honor you and offer you our praise.

Lord, we've come to worship you,
We've come to lay down our lives at your feet.
We've come to honor you and offer you our praise.

Lord, we've come to worship you,
We've come to lay down our lives at your feet.
We've come to honor you and offer you our praise.

Lord, we've come to worship you,
We've come to lay down our lives at your feet.
We've come to honor you and offer you our praise.
So our hands go up
And our hearts go out and our voices rise with a
glorious shout.
We're delighted to sacrifice
Everything, everything, everything.

So our hands go up
And our hearts go out and our voices rise with a
glorious shout.
We're delighted to sacrifice
Everything,
To honor you and offer You
To honor you and offer You
To honor you and offer You a praise

Father receive our worship,
Father receive this offering.
Lord, we agree that you are worthy,
That's why we give you everything. (4x)

That's why we give you everything.
That's why we give you everything.
That's why we give you everything.
That's why we give you, we give you everything.

We're delighted to sacrifice everything,
